SENIORS!

Here's what you do:

My e-mail address is info@jrogersphoto.com if you have any questions prior to setting up your appointment. Set up an appointment for your shoot by email or call me at 817.937.7200. You can do in-studio and/or on location. If you have a place in mind, let me know. I have a few locations I use, too. If you want your car or truck or pet or friends in the shots, that's cool, too just let me know. If you need specific things, I can custom design whatever you need. I am primarily a fashion photographer, so the sky is the limit, but you are responsible for admission fees depending on the location. But I specialize in location photography, so feel free to challenge me! Look online or in your favorite magazines for some cool images and email them to me before your shoot and we can do a look you are interested in.

There will be a \$125 deposit before the shoot. \$25 of that is the sitting fee for the shoot, and \$100 goes toward your order. Location fee or more than 3 outfits may be a little more, depending on the location. Call or e-mail me directly for info about locations and special requirements.
